Directions from Nice Airport to Regusse

From Nice airport you need to get on the A8 autoroute heading for **Aix-en-Provence**.

Follow this until you get to the exit for **Draguignan** (junction 36?). Follow the signs and head for Draguignan (N555).

Just before the town centre of Draguignan turn left at aroundabout with a people sculpture in the middle. Keep going until the next roundabout and take the third exit (onto a one way road). At next roundabout turn right (1st exit). At the next roundabout you've got the prison on the right, turn left heading for **Flayosc**.

Keep on the main road at Flayosc (D557) heading for **Salernes** and **Aups**, go past the right turn for Tourtour and take the next right to **Villecroze** and **Aups** (D557).

Keep going through Villecroze and eventually come to a T junction, turn right into **Aups**.

You will loop round through the car-park and then you need to take a left turn (up a steep incline) to avoid Tourtour. This takes you up the back of Aups and go over the roundabout by the school (on the right) and then to a main roundabout. Continue straight across heading for **Regusse**. You will pass Moissac Bellevue at around 4km and will reach Regusse after 7km from Aups.

Once you reach **Regusse**, you will have the choice of turning into the village or continuing along the bypass. Take the bypass and continue up to the roundabout. Go straight over and at the next bend turn left into the village. You will see the swimming pool, post office and Mairie just on your left. Turn left again into the car park in front of the post office.
